***All of Us* Research Program Pop-Ups**

The *All of Us* Research Program continues to make it easy to join and stay connected to the program. Our team members have partnered with **Access**, **Health Alliance Plan (HAP)**, and **Henry Ford College** to host a series of informational tables and enrollment events in the coming months.

Our team of active recruiters are working with businesses, colleges, and partners to reach our goal of one million or more participants. We love sharing the program in the community. If you would like to host a pop-up clinic or get involved in the program, contact us for more information.

Community Partners

To reach its goal, the *All of Us* Research Program is partnering with leading organizations, community partners, and participant representatives across the country.

These organizations tell their communities what the *All of Us* Research Program is and how to join. Some of these organizations help their members enroll as well as learn about the program. The *All of Us* team meets regularly with local community partners to share advice on community outreach, how to improve the program and collaborate on events.

Meet our *All of Us* Research Program Community Partners for more information and the most up-to-date schedule of events.
