

THE DAVIDSON FELLOWSHIP INNOVATION IN HEALTH CARE

HENRY FORD INNOVATIONS

APPLY FOR OUR
2024-25 CLASS!

Are you:

- ▶ Driven to improve healthcare?
- ▶ Passionate about Innovation?
- ▶ Interested in learning entrepreneurial skills?

The Davidson Fellowship Program offers a unique professional development opportunity for individuals passionate about healthcare innovation. This 9-month program teaches health leaders—both clinicians and administrators—how to address healthcare challenges through innovative solutions.

Fellows receive instruction and mentorship from experienced clinical entrepreneurs, advanced academic instructors, investors, and intellectual property experts.

Applications due by Friday, August 9th at 11:59PM EST
